**JOINT MOTION TO EXTEND REPORTING DEADLINE**

Metropolitan Life Insurance Company and Susan O'Connell jointly move to extend the current reporting deadline from February 27, 2006 to **March 17, 2006** so that they may continue to discuss a settlement of the case. As grounds for this motion, the parties state that they are working together and making progress towards a settlement of the case. Although the parties are mindful that they already have requested additional time to negotiate, both parties believe that additional time will benefit their settlement discussions and they would like to continue these discussions before MetLife must report a claim determination with the Court.
